

OUR MISSION

Innovation is at the heart of our craft. To meet our customer's needs we have developed a wide variety of railing and fence solutions. Through flexibility and adaptation we strive to meet customer's requirements every day.

OUR SPECIALTY

Vision Outdoor Products offer a unique look which will enhance your property's appearance, while still respecting its original style. Quality products and professional service have created the credible reputation our company enjoys.

ENVIRONMENTAL CONCERNS

- Durable, maintenance-free products
- Recyclable products
- Responsible management of waste in daily plant operations

FENCE AND GATES

Vision Outdoor Products offers aluminum fence and gates to enclose pool areas, ensure privacy or simply enhance your property.

Our fence systems offer beauty, strength, ease of installation and worry-free maintenance.

Tempered glass panels or design accents enhance any one of our models. Heights up to 6 feet available.

Vision Outdoor Products offers its patented interlocking technology to dealers who supply aluminum railing and fence products for commercial and residential decks, balconies, patios and pool surroundings. We work directly with building product distributors, fence companies and commercial contractors throughout North America.

The Vision Outdoor Products Interlocking machine is the proven solution to reduce labor, inventory costs, warehouse requirements, freight cost and damage issues.

PROFIT FROM:

- Fast and efficient order fulfillment
- Reliable accuracy
- Minimized handling and transportation delays
- Quick installation
- Reduced delays
- No welding
- No special tools required
